

## Ride Like A Thriver

Two stage 4 cancer thrivers were talking about how they could help more people and before they knew it, they were planning a 3000-mile bike ride across the country!

Meet Chuck and Hannah:

Chuck & Hannah Keels of Scottsdale, Arizona are both Stage 4 cancer thrivers and after noticing there was not much support for someone after they were diagnosed, co-founded **Living Hope Cancer Foundation**. They offer free cancer coaching to cancer patients and their caregivers to instill a positive mindset full of hope.

The **Ride Like A Thriver** event will kick off in the beginning of 2022 from San Diego, California and will end approximately 60 days later in St. Augustine, Florida. Our goal is to bring recognition and awareness to our foundation and provide free help to anyone affected by cancer.

Living Hope Cancer Foundation is a 501c3 and your generosity is 100% tax deductible. Our fundraising goal is \$140,000: for food, water, gas, RV, and bike maintenance. We need your help and would love to see your company logo on the side of our RV and on our jerseys. There has never been a better cause.

Local and national news, social media and supporters across the country will participate to help create awareness for this Ride across America.

Thank you from Chuck & Hannah #GETUPANDRIDE

## **Ride Like A Thriver**

We would like to thank everyone who has joined **Team Ride Like A Thriver**. Our goal is to raise \$140,000. Local and national news stations will be covering this ride.

We will be posting daily on our social media platforms. Living Hope Cancer Foundation is a 501c3 and all donations are tax-deductible. Every cent received over the goal provides free positive mindset coaching to cancer patients and their caregivers.
